

NOTICE OF LINDON CITY WATER RATE CHANGES

JUB Engineering conducted a water rate study and recommended a water rate adjustment. The City Council approved the new rates below at a public hearing on November 21, 2006. The rates will become effective December 1, 2006 and you will see the change on your December 31, 2006 utility bill.

| | | <u>Current</u> | <u>As of Dec 1, 2006</u> |
|-------------------------|----------------|-----------------------|---------------------------------|
| Below North Union Canal | base | \$12.95 | \$13.40 |
| | each 1000 gal. | \$1.13 | \$1.10 |
| Above North Union Canal | base | \$14.50 | \$15.00 |
| | each 1000 gal. | \$1.20 | \$1.16 |
| Upper Foothills | base | \$22.45 | \$23.24 |
| | each 1000 gal. | \$1.27 | \$1.22 |

You will note that the adjustment decreases the per 1000 gallon usage charge while slightly increasing the base fee
